season 3
...is not true...T-T

Hello, I am Gangnengyi (author/artist)!
Thanks to your love and support, the second season of TSSB has been completed ^^
A lot of things happened during the past one and a half years, but I'm really glad that I was able to safely finish it ^o^

First of all, I apologize for not being able to inform you on a third season, as many of you were expecting it. I am also very thankful for all the love you have shown the series

I am planning on taking a long... week break, and coming back with a new manhwa.

I think it will be something similar to TSSB in the aspect that it will be a comedy manhwa you can just mindlessly enjoy...

I know I have received a lot of love and interest until now... But you know how people are... I want to be loved a bit more...

Please enjoy reading my next project as well... Hehe...

Heh...

If I were to add on to the second season's story...
It's an ending I had thought of ever since the old version of TSSB, so I myself am pretty content with the results...
If I were to talk about the characters that don't appear in the last chapter...
There are stories I had planned, but then there's the issue of quantity...
It also seems a little off to put them up separately...

I'm thinking of drawing a side story if the second season is also published into a book without problems...

If not, I can just upload them separately on the blog or something... Hah...

Anyway, I will see you all again in two weeks ^^

Always be happy!

NOTE FROM EGS. THE AUTHOR MADE A SERIES CALLED **TRANSFER STUDENT STORM BRINGER REBOOT** WHICH IS NOT THAT GOOD AS THIS ONE AND WE (EGS) WILL NOT BE DOING
